INVITATION

XV. Hungarian-Finnish Twin Town Conference

I am glad to inform you that this year, the honor falls upon the City of Veszprém, to host the XV. Hungarian-Finnish Twin Town Conference, to which I am formally inviting you and your delegation. The planned date for the conference is **2022. September 28-30**. Staying true to the conference's history and traditions, we're inviting the leaders of all Finnish and Hungarian Twin Towns to a forum, which addresses the newest challenges our countries and towns are facing. The conference's aim remains unaltered, which is to reinvigorate relationships and give new momentum to the cooperation between our countries and Twin Towns, after the hardships of the last couple years.

On the first two days of the conference, there will be technical presentations, workshops and panel discussions on **28 September AM, PM** and **29 September AM**; on **29 September PM**, we're planning cultural programs for our guests. According to tradition, we will be granting each town's representatives **2-2 seats** at the conference; in case the given town has a local Finnish-Hungarian Friendship Group as well, the group's representative will be granted **+1 seat**.

All expenses relating to the conference visit (travelling, accommodation) are the responsibilities of the municipalities and organizations. In order to make the reservation of accommodation easier, there will be a hotel recommendation list attached to the invitation, where arriving guests will be able to book their rooms at reduced rates, with the coupon code "**HUNFIN22**".

Allow me, to bring your attention to the following! Due to organizational reasons, we ask you to register all members of your delegation with their full names and titles, on the following online registration form:

<https://forms.gle/9LMtUN378k9Wn5vv6>

IMPOTANT! Make sure you complete your delegation's registration until **31 May**! (We are only committed to admit those guests, whose registrations come in before the specified deadline!)

We will be sending the complete conference program with all the technical details, who have completed their online event registration!

Until then, if you are interested in visiting Veszprém and taking part in the conference, we kindly ask you to RSVP on the attached registration form.

Furthermore, we kindly ask you to get in contact with your Twin Towns, local friendship groups if there is one in your town, and urge them to participate in the conference!

Should you have any questions regarding the event, please contact our international relations officer Gergő Gulyás, via e-mail: gulyas.gergo@gov.veszprem.hu
